Welcome to Fairview United Church, Halifax, Nova Scotia

We hope that this information will help you to feel comfortable amongst us. We are pleased that you have joined us and sincerely hope you have an enriching worship time.

Music

The works for the Hymns and Songs that we sing are in voices United. You will find this in the Pew, along with a bible. The Bulletin, also handed to you, will guide you through the service.

Children

Children are very important to us and are welcome at any service. For your cone Nice, there is a Nursery which you can use. You can also hear the service from thereafter Children's Times, when the Children are invited to the front, children and Youth leave for their programs

Offerings

The work of Fairview United Church is supported by the offerings of the congregation. Many regular attendees use envelopes or PAR-(pre-authorized remittance) for weekly donations.

Special envelopes for visitors are available, if desired. If you would like to have envelopes or arrange PAR, please speak with one of your greeters.

Prayers

We strongly believe in prayer. You will notice that there are several times during the service when we pray. You will find the prayers printed in the Bulletin. The "Prayers of the People" are conducted by lay people. You may make a special request for prayer by entering your request in the prayer Book found at the entrance to the sanctuary.

Form of Service

We have what we call a "Blended" form of service. You will find a little bit of something for all ages as well as both traditional and contemporary approaches. Our youth and lay people participate in the service on a regular basis. Lay people participate in taking up the offerings, greeting, scripture reading and leading the Prayers of the People.

Washrooms

Facilities are located in the upper hallway or in the downstairs hall on the lower level. Please ask a greeter for directions.

Hospitality

Following the Sunday worship, refreshments are served. Please take a few moments and join us for fellowship and meet members of the congregation.

We Hope you
found our service
to be meaningful
for you
